

WELCOME TO VICTORIA GASTRO PUB

We've assembled this guide to our "Libations" in an effort to provide you, our guest, with a little more than just the generic beverage menu. In it you will find descriptive information that we hope you find interesting and helpful. The contents of this book are in the following order:

SPECIALTY COCKTAILS
NON-ALCOHOLIC BEVERAGES
DRAUGHT BEER
BOTTLED BEER
CORDIALS & DESSERT WINES
WINE SELECTIONS

Our commitment to a high quality, creative, eclectic menu does not stop with the food. We are also committed to an outstanding line-up of beverages to complement your dining experience. The Wine List is designed to be focused, while still covering a lot of ground – from light to full-bodied, varietal to blend and country of origin to country of origin. We then add a list of Cellared Selections for those looking to have that special bottle. Here, you should be able to find the right bottle of wine for any situation or occasion. The value that is already present only increases on Thursday night, when all bottles on the regular Wine List are "half price", and all Cellared Selections are 25% off.

Our Beer List is extensive, with twenty-four draughts and over one hundred thirty bottles. Our philosophy is to have a fixed selection of great beers available year round. These are our core beers. The remainder of the Draughts and Bottles change on a regular basis. This allows us to remain current with seasonal availability. It also ensures that our selection will continue to present you with new things, a concept that is particularly important to our Beer Club Members (ask for details). There are so many great beers now available from micro-breweries in the U.S. and abroad. Beer is also a wonderful beverage for pairing with food. We hope that you enjoy every moment spent with your new favorite beer!

As with any great pub, we also have a full bar, with a nice selection of tequilas, single malts, ports, cognacs, etc. Our Specialty Cocktails may present you with something new to try, or a classic that you've had many times. We have recently added many martini drinks to surprise you, including many that you might like to have as dessert. Join us on Tuesday night, when all of our specialty martinis listed in this book become 50% off.

We sincerely hope that you enjoy your time with us each and every visit. Please do not hesitate to let us know if there is something else we may do to make your day or evening better. Above all, thank you from the entire staff at Victoria for choosing to spend your time here.
