What is Beer Club?

The Beer Club is a journey through the world of wonderful beers. To that end, rewards are given for attaining numeric levels of different beers tasted. Membership is ONLY \$20 to sign up initially. Your first draught beer is free when you join. Any specials for Beer Club members will begin at 5:00 on Mondays in the Pub area only. Members can add beers to their Beer Club Member Card during any visit to Victoria, at any time of the day, in any area of the restaurant as long as they have their Card with them. Draught beers must be 20 oz. pints (unless we don't offer that beer in 20 oz. because of alcohol content, availability, etc.) in order to qualify. Both bottled and draught beers may only count one time each (no sharing). If the same beer is offered in bottle and on draught, then that beer may count twice on your Member Card. For Beer Club Members only, we will give away a trip for two including brewery tours, on Victoria Day.

*Please note that you do not need to be part of the Beer Club in order to participate in Monday night Beer Club Events.
