What is a Gastro Pub?

Wikipedia defines a Gastropub as "a British term for a Public House which specializes in high quality food a step above the more basic pub grub." In its simplest form, a Gastro Pub is a place with a warm, inviting pub atmosphere that serves sophisticated, yet unpretentious food. An extensive and creative Beer and Wine List is an integral part of the concept.

Our gastro pub serves dishes with an innovative and creative twist on classic pub fare that stress quality and freshness. Our owners, the Marriner family chose the name Victoria since the gastro pub concept was launched in London and many of the pubs in London are in close proximity to 'Tube' stops. One of the most famous is Victoria Station, a stop connecting the Brighton and Chatham lines. Victoria also happens to be the name of their youngest daughter who is VGP's Chief Experience Officer.

Our Executive Chef wrote the business plan for our concept as he studied abroad at London's Le Cordon Bleu. He is extremely passionate, and creative about making our menu exciting & ever changing depending on the freshest seasonal ingredients that are available.

For Cork Club Members only, we will raffle off an ALL INCLUSIVE TRIP for two including winery tours, on Beaujolais Nouveau which always falls on the Third Thursday in November. The French have made this holiday as a way to celebrate the end of the harvest. Beaujolais Nouveau is a young purple-pink wine that is particularly lightweight, and made from the gamay grape which has thinner skins than most other red wine grape varieties. It is intended for immediate drinking, and should not be cellared or kept for longer than a year. People celebrate this holiday all over the world. The FIRST Year the Winner was sent to Napa Valley for a Week! The 2011 Winery Tour Trip is still being planned. We will log your milestones attained at the pub in our master member records.

VICTORIA BEER CLUB RULES &

Beer Club Hours, Rules and Prizes

The Beer Club is a journey through the world of wonderful beers. To that end, rewards are given for attaining numeric levels of different beers tasted. Membership is ONLY \$20 to sign up initially. Your first draught beer is free when you join. Any specials for Beer Club members will begin at 5:00 on Mondays in the Pub area only. Unless otherwise posted, they will continue until the close of the restaurant. During that time, the Beer Club Member Card is the member's ticket to any specials that are taking place. In the event that a member has forgotten their Beer Club Member Card, their membership can be verified by our "in house" records; however the beers consumed will not be reflected on the member's record. Members can add beers to their Beer Club Member Card during any visit to Victoria, at any time of the day, in any area of the restaurant as long as they have their Card with them.

Draught beers must be 20 oz. pints (unless we don't offer that beer in 20 oz. because of alcohol content, availability, etc.) in order to qualify. They may be purchased at Happy Hour prices if they are one of the beers on the Happy Hour Menu, or they may be purchased at other special pricing if they are placed on special on Beer Club Monday.

Both bottled and draught beers may only count one time each (no sharing). If two members are sharing one beer, only one member will get the credit for that beer. If the same beer is offered in bottle and on draught, then that beer may count twice on your Member Card.

For Beer Club Members only, we will raffle off an ALL INCLUSIVE TRIP for two including brewery tours, on Victoria Day. The 2009 Winner won a trip to Munich, Germany during Oktoberfest and the 2010 Winners have won a trip to San Diego during San Diego Beer Week! The 2011 Winner Won a Trip to Colorado during Beer Fest! The 2012 trip is still being planned. Only members who have continued to be an active member are eligible to win the annual trip. Once you win the trip, you are not eligible to participate in the raffle for five years, but can still enjoy the other Beer Club perks.
